## ABOUT US

Formed in 2010, Quality Fumigation Solutions has branched out to eight major locations and we plan to expand our network throughout the country in coming years. All eight locations have a Fumigation Accreditation Operator duly approved by The Directorate of Plant Protection Quarantine, Fumigation & Storage, Ministry of Agriculture & Co-operation, Government of India to carry out fumigation of import and export cargo, with indigenous fumigants such as Methyl Bromide and Aluminum Phosphide. We also have registered in concerned state agriculture depts. to store/use/sale pesticides within the states. We have a Strong & Dedicated Technical and Operations Team to provide solutions as well as services to all sorts of Fumigation, Pest Control, and Storage/Inspection of Food Grains. We also provide Commercial Pest Control services in ports, industrial areas, and townships. Our parent company M/s. Pest Control Poona is actively involved in "Integrated Pest Management" field for the past 30 years. QFS(Quality Fumigation Solutions) is handling big clients and we are proud to say that we are the only firm to be associated with ITC (Indian Tobacco Company) in most of their plants in the states of Karnataka and Andhra Pradesh.
